February 2nd 2018

Dear parents and carers,

Unfortunately, the parking situation at the school has been causing concern again recently. Parents, staff and the police, who were here discussing the issues recently, have noticed issues surfacing again. I'd like to therefore remind you of the following:

- **At the request of the police and the school, please do not park or turn around in the car park entrance or exit. Only this morning, a car was parked across the entrance, stopping cars from turning in to the car park and therefore creating a queue of traffic on the road. Parking and turning around in the entrance and exit is highly irresponsible and dangerous.**
- **It's only staff, cars displaying disabled badges and anyone who has had permission from the school that are allowed to park in the car park. This is for obvious health and safety reasons. We see on a daily basis children walking across the car park with parents / grandparents during busy times.**
- **Could you please ensure that the above messages are passed on to anyone who drops or collects children at the school, as some have mentioned in the past that they are not aware they are not to park in the car park (despite the signs noting everyone of this).**

I understand that it is busy in the mornings and afternoons and that parking, as in the majority of schools, can be difficult, but we all have a responsibility to ensure the safety of children, parents, staff and visitors around the school car park.

Thank you for your co-operation,

Osian Jones
