Dear parents/guardians

PAYMENTS TO SCHOOL

The online payment system has been live since November 2017 and we would like to thank those of you who use it and encourage those of you who haven't to give it a go since this is now the school's preferred method of accepting payments.

The online system is of benefit to parents and the school. As parents, you have the freedom to make online payments whenever and wherever you like, 24/7. Payments can be made by credit/debit card. The technology used is of the highest internet security available ensuring that your money will reach school safely – offering you peace of mind. Your children won't have to worry about losing money at school.

The more parents that make online payments online, the greater the benefit is to our school. You can help us reduce workloads for all staff, creating more time to lend to educational support and the smooth running of the school. Using this system also ensures that all financial transactions are safe and secure – helping us to remove costs associated with us having to manage cash securely on the school premises.

You can pay online for items such as school meals, breakfast club, morning snacks, trips, swimming, tennis, gymnastics, after school club, etc. You can pay online by visiting www.wrexham.gov.uk/plascoch.

Please note that when paying for your child's morning snack, we ask that you pay in advance at the beginning of each half term/term.

Please contact the school if you have any questions.

Thank you for your cooperation

Osian Jones
